

# ANATOMY OF AN ASSHOLE-QUAKE

AN ASSHOLE-QUAKE IS A DISRUPTION IN CIVIC SOCIETY, CAUSED BY SPECIAL ADVANTAGES TAKEN BY A PERSON OR PERSONS (DUE TO A PERCEIVED SENSE OF ENTITLEMENT) AT THE EXPENSE OF AND IN SPITE OF THE COMPLAINTS OF OTHERS.

## EPICENTER

The point directly above the focus, where the asshole behaviour comes into direct contact with a society.

## FAULT

An absence of mutual respect and co-operation in society.

## PLATES

Massive areas of the earth's population wherein civic co-operation is key to its health and spirit.

## FOCUS

The point (i.e., individual) where a rupture begins. This point is characterized by a buildup of excessive entitlement and a deprivation of empathy.

## SEISMIC WAVES

Waves that transmit asshole behaviour throughout a society, causing similar ruptures in nearby faults.
